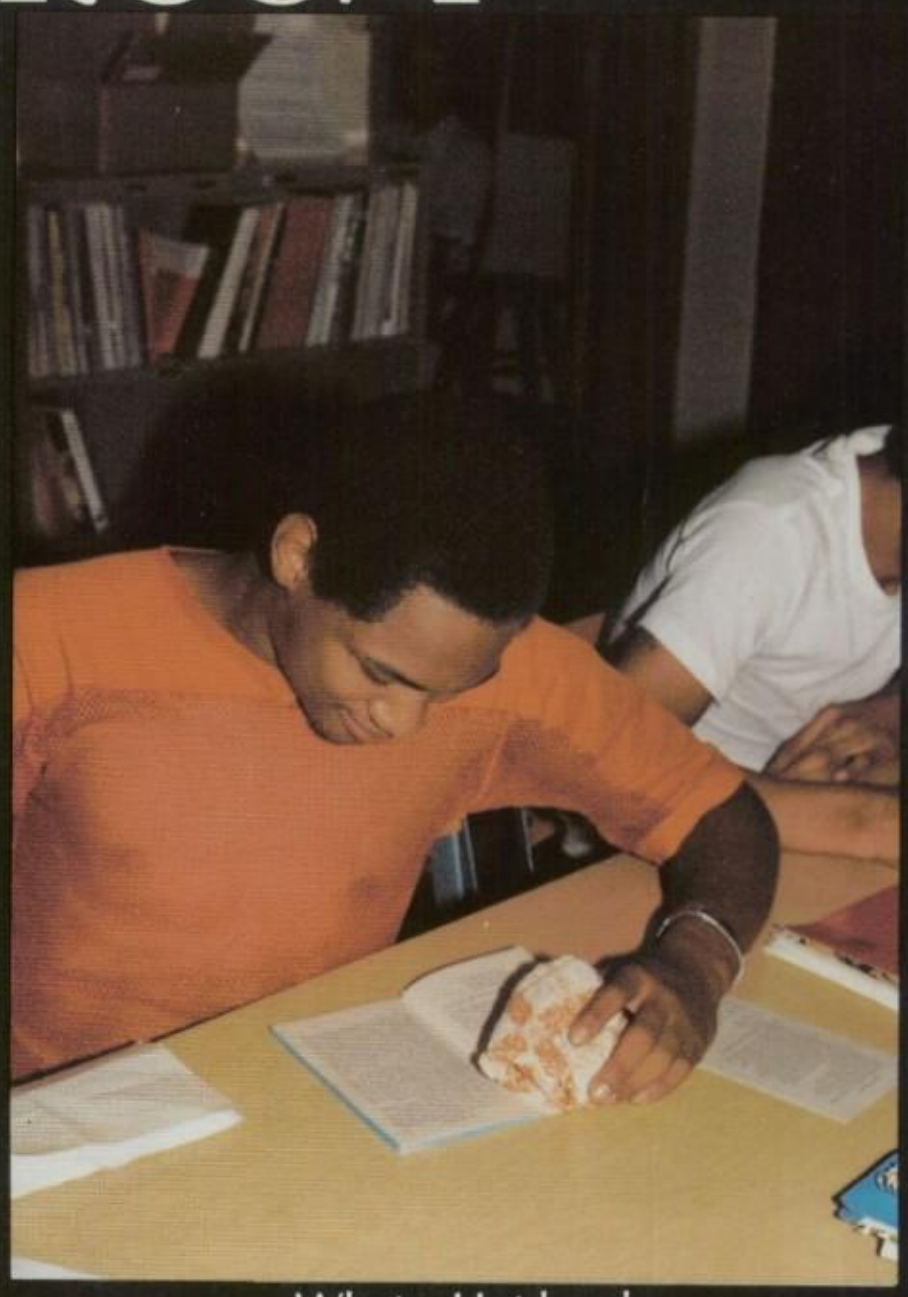
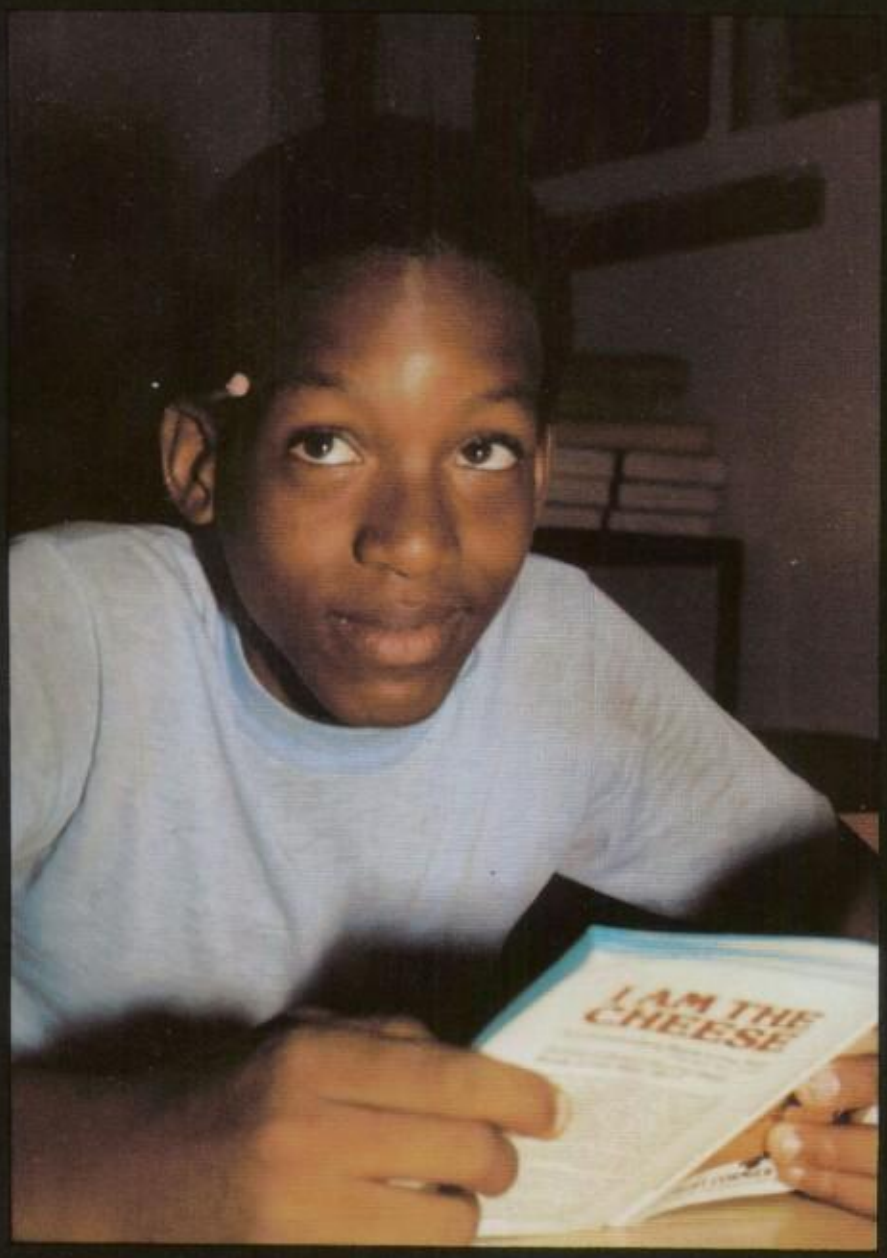
CLASS ROOM

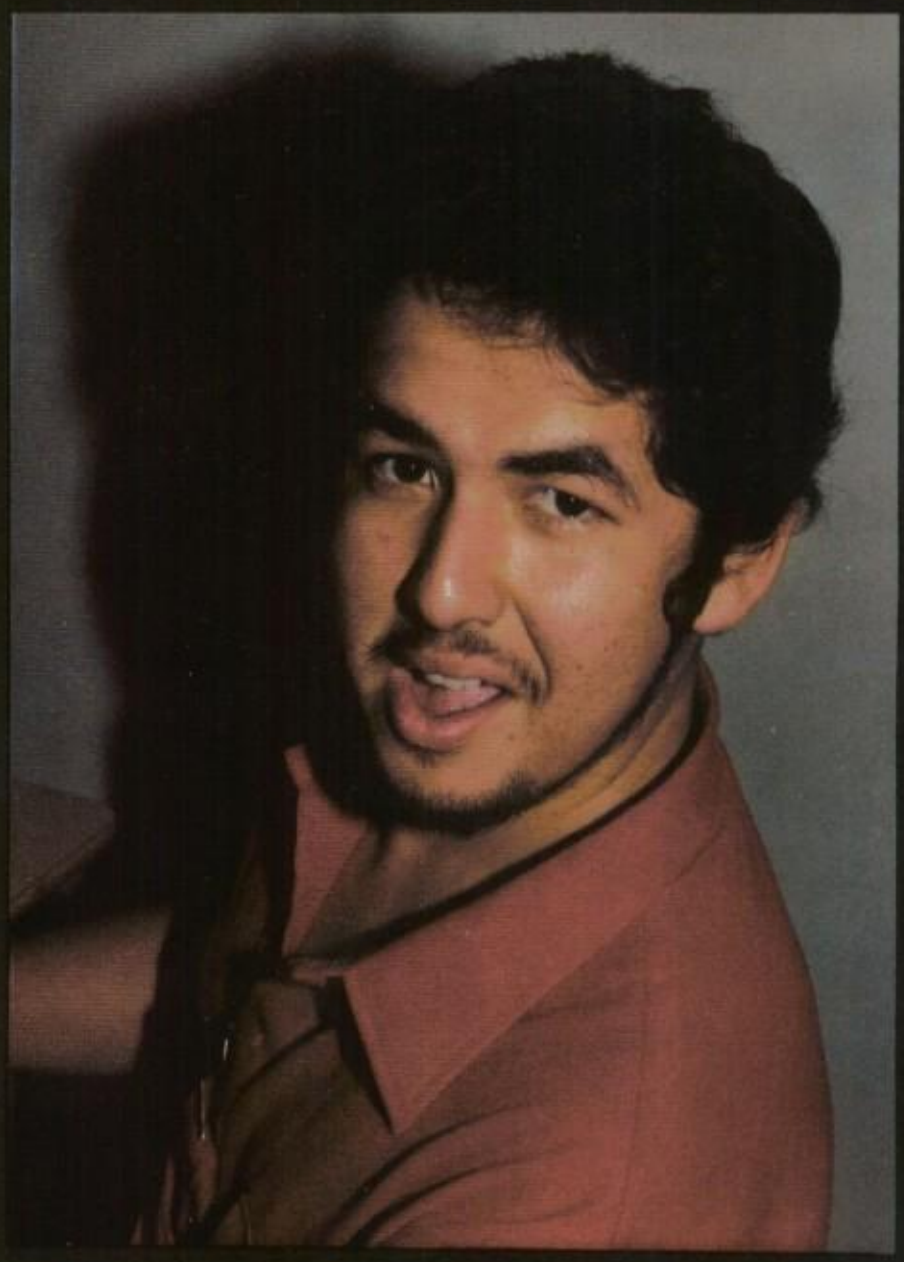
This class is so Exciting!



What a Hot book

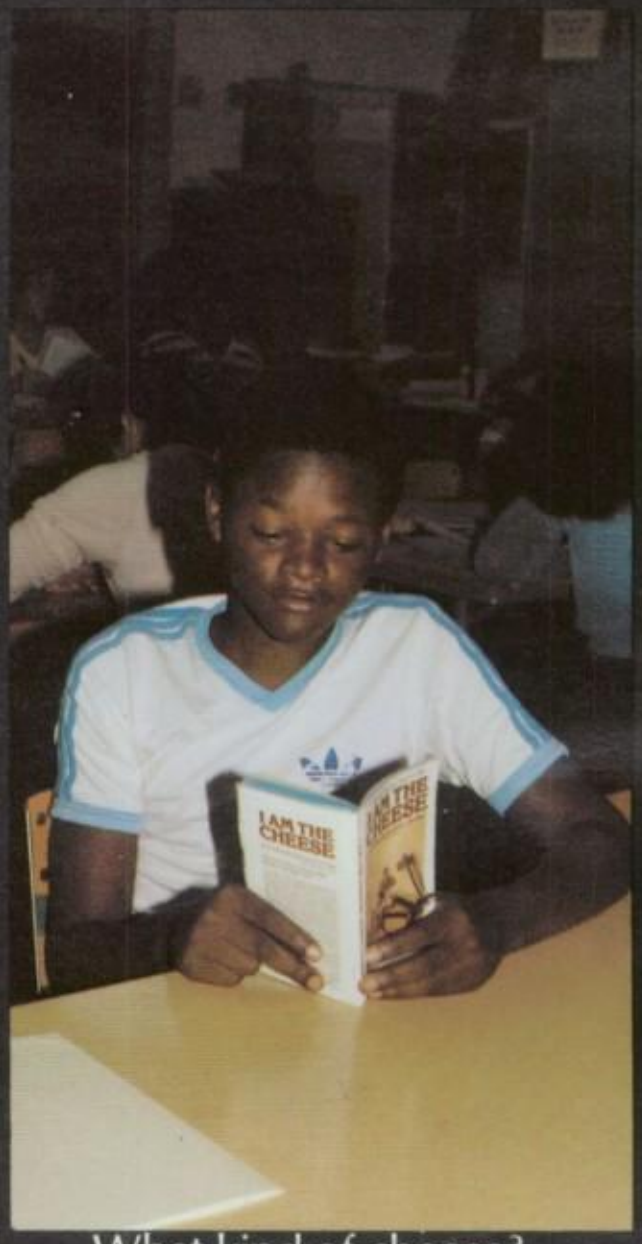


Is he for real?!

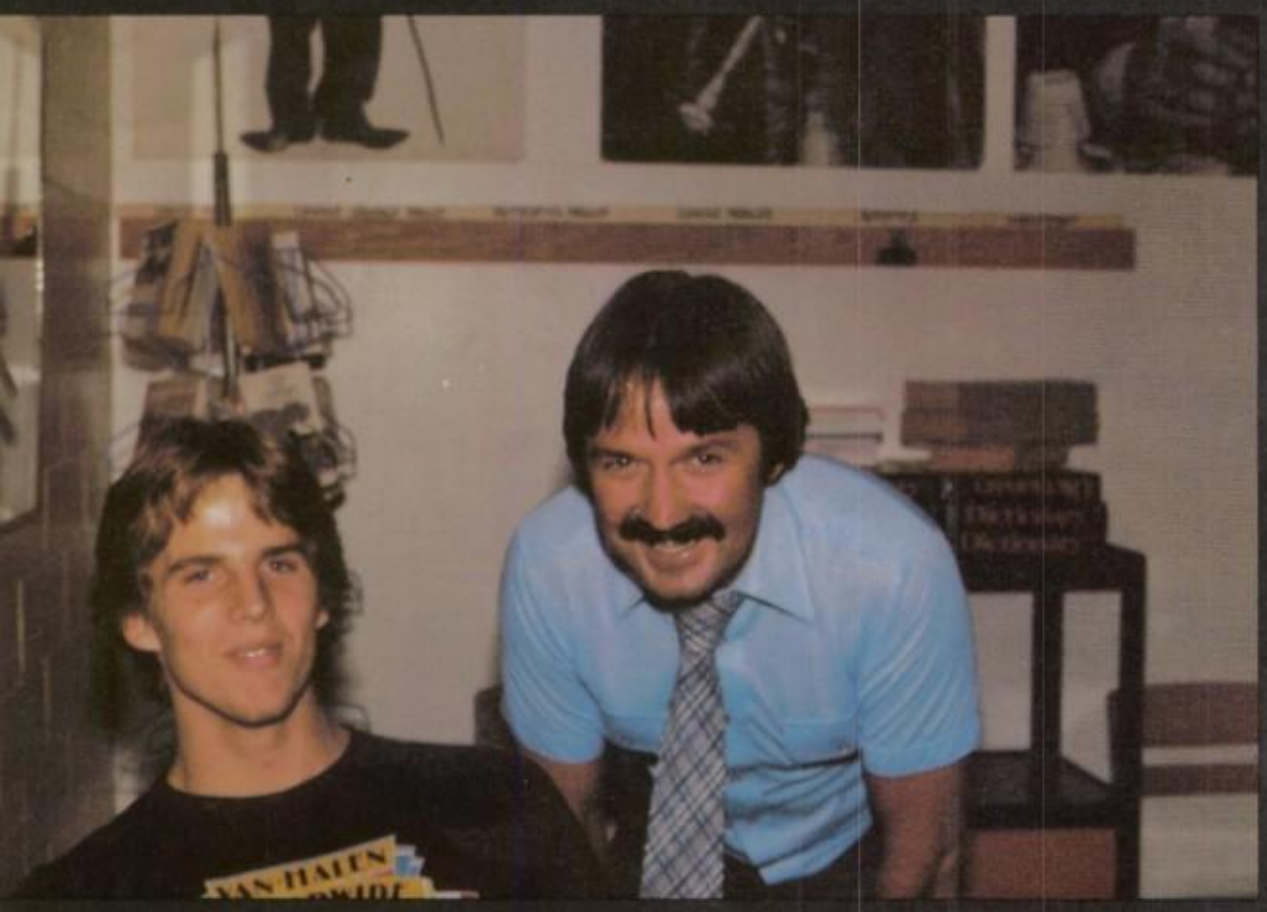


Hey Baby!

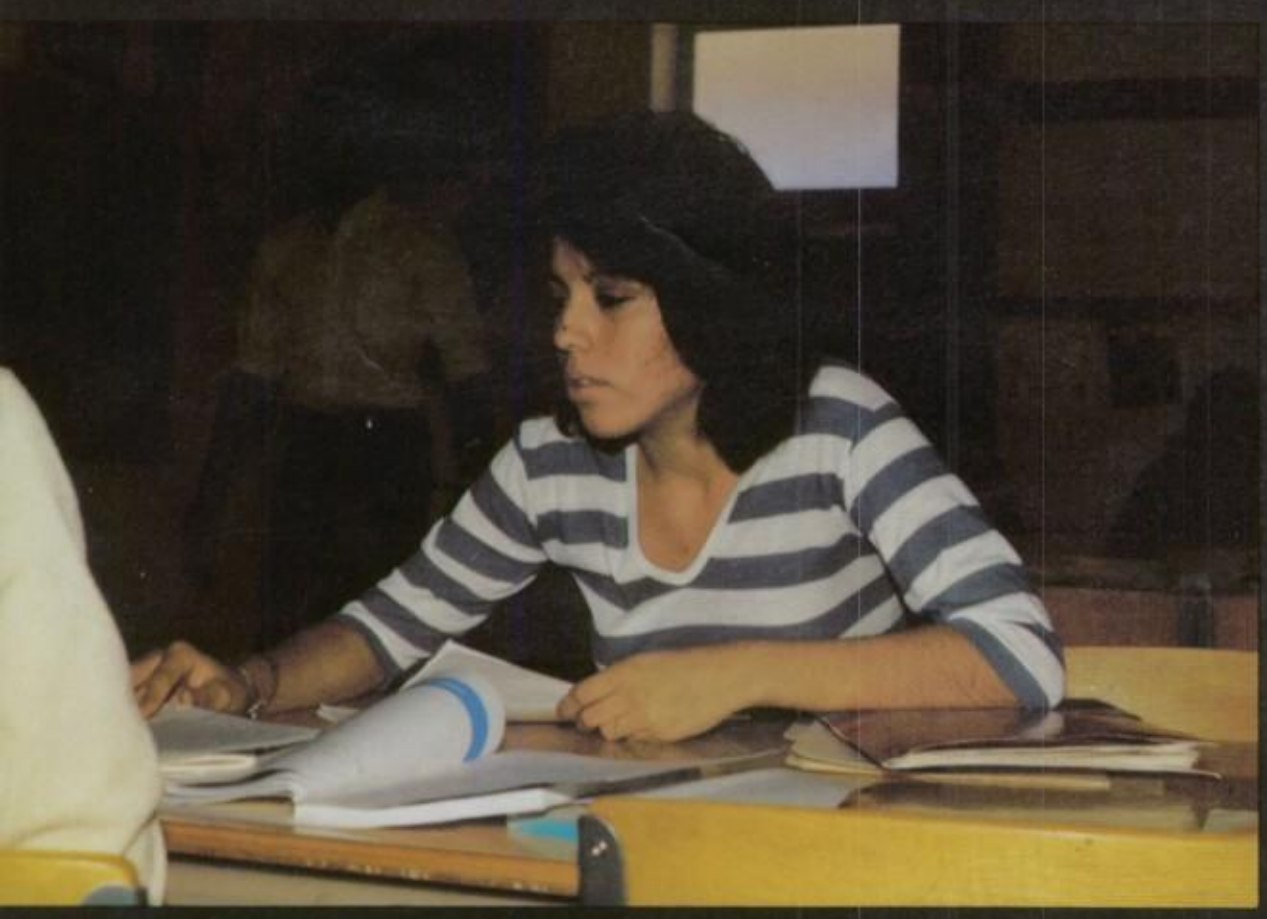
FUN

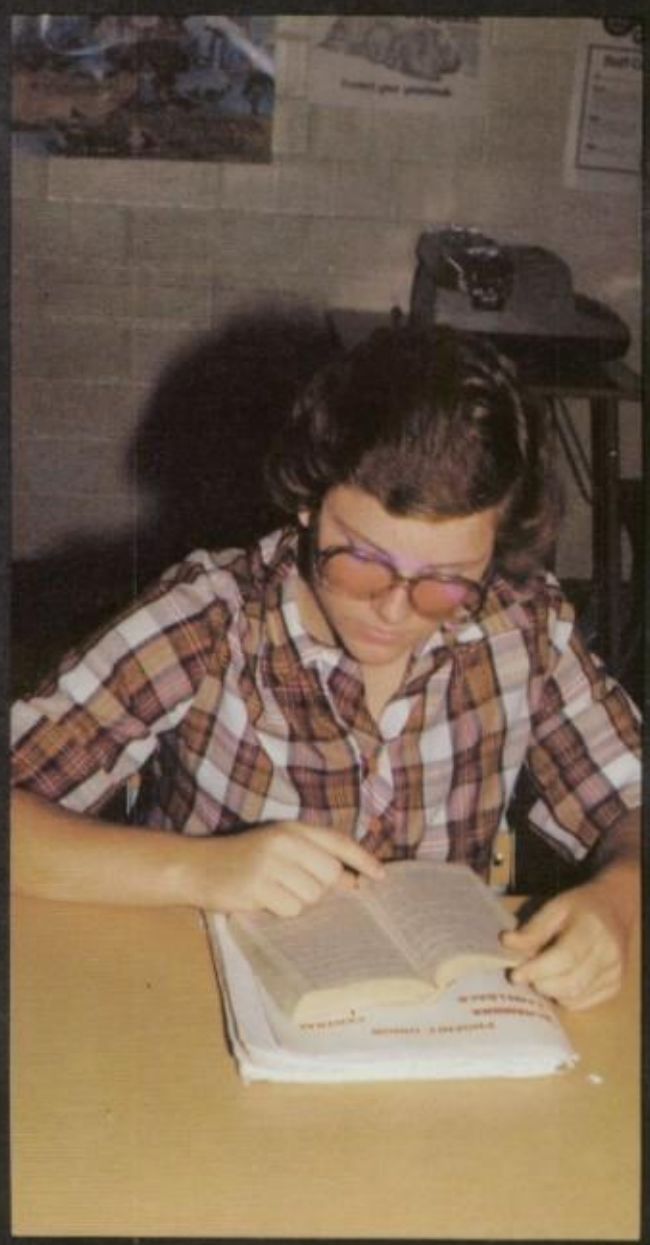


What kind of cheese?

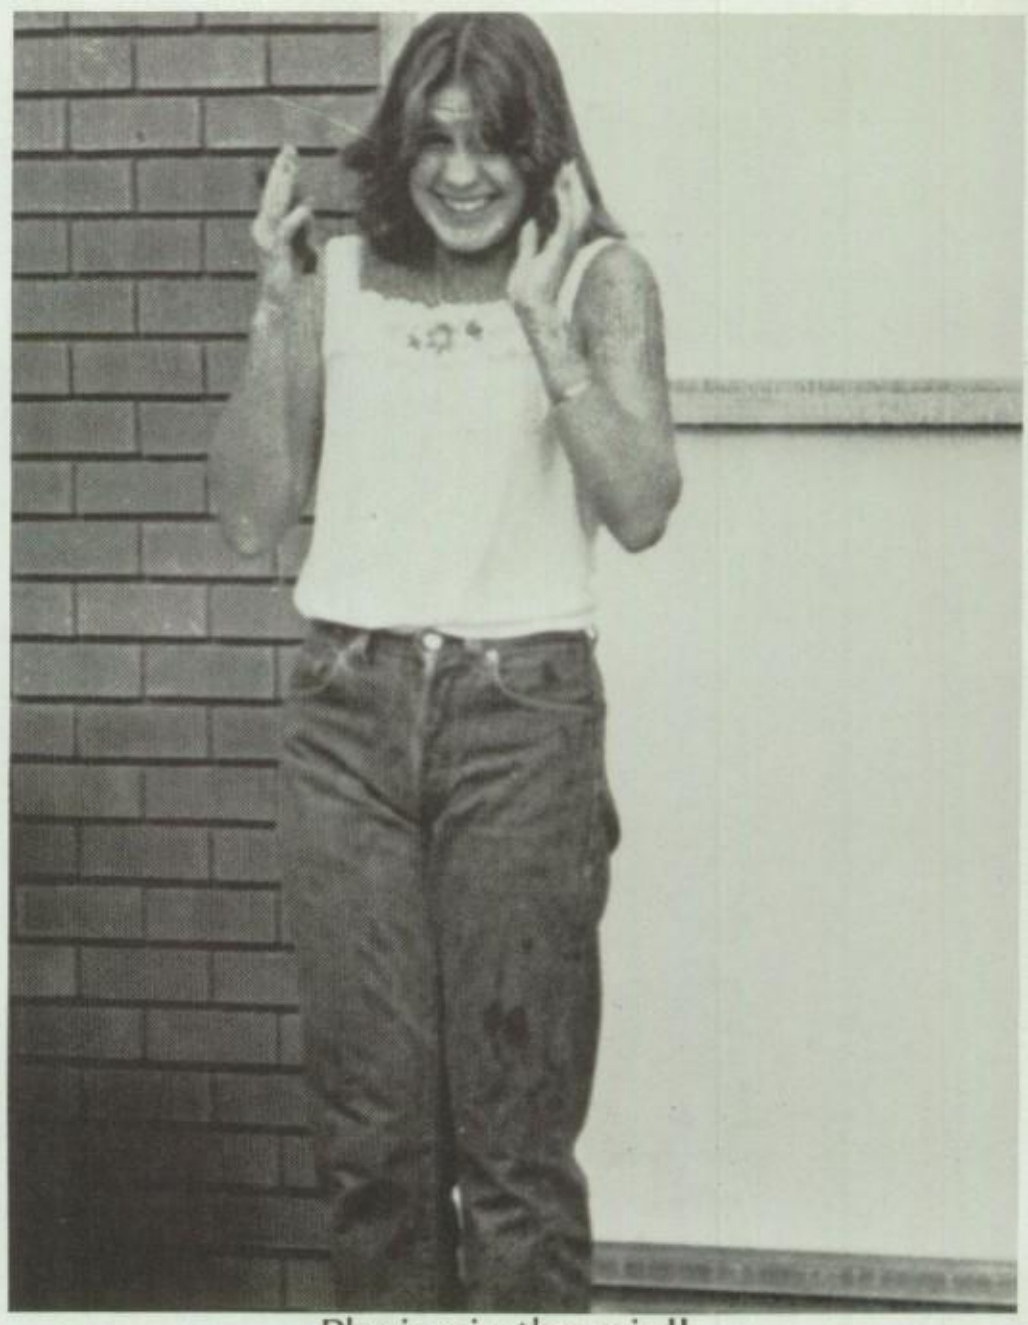


ZZZZZZZZZ

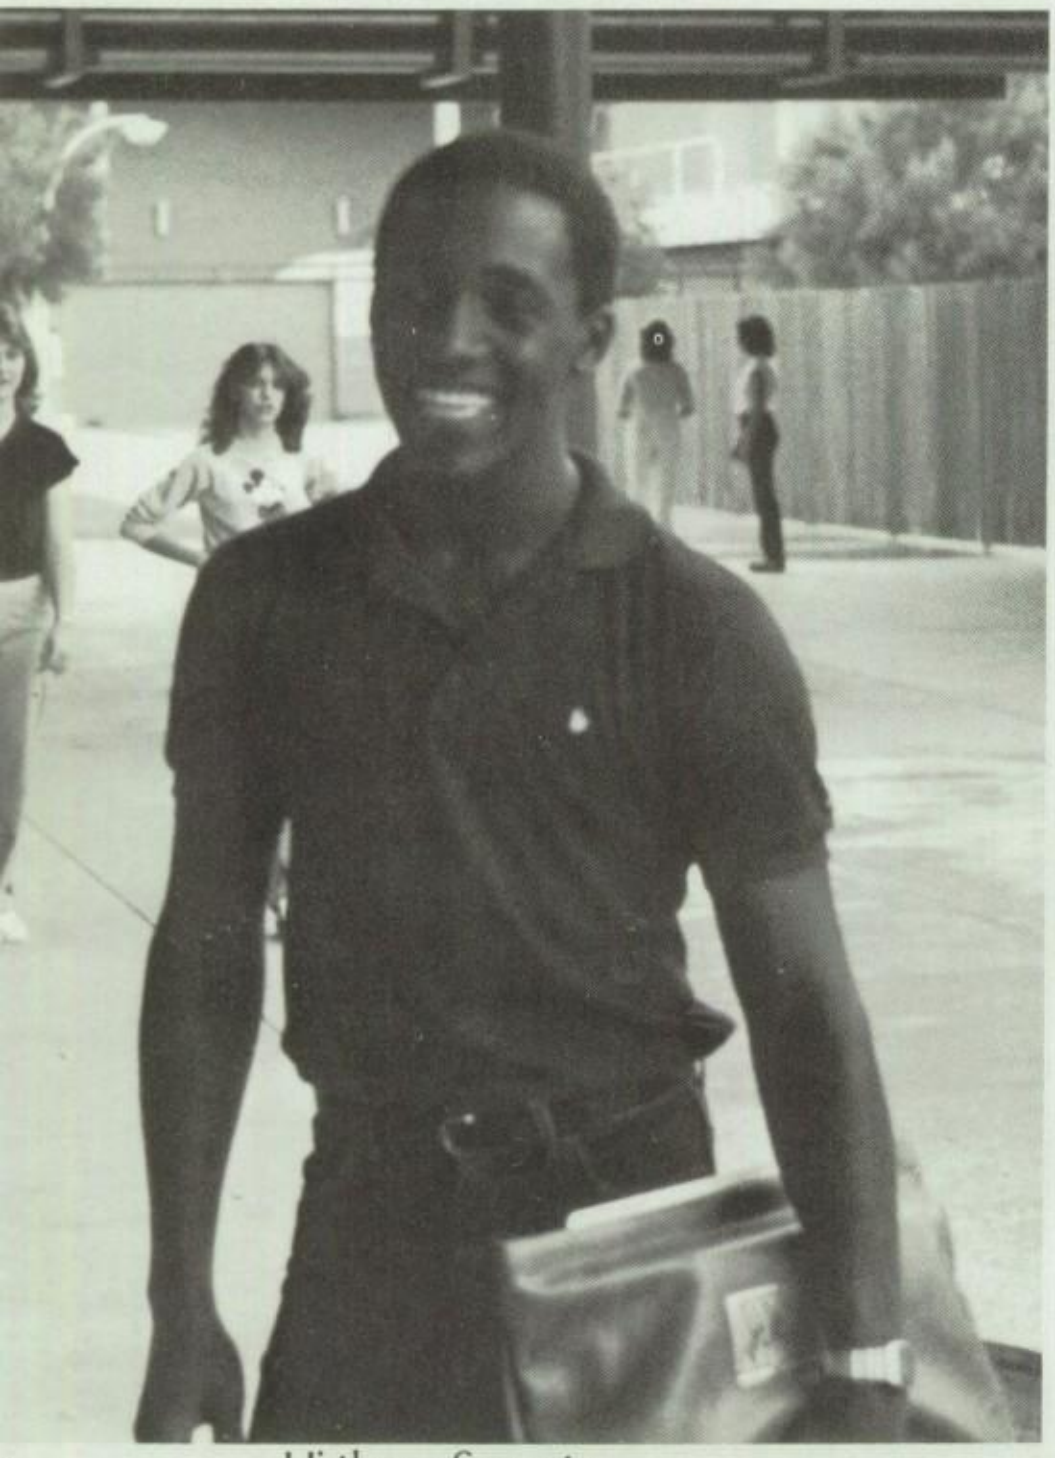




Oh, I hope no-one sees us



Playing in the rain!!



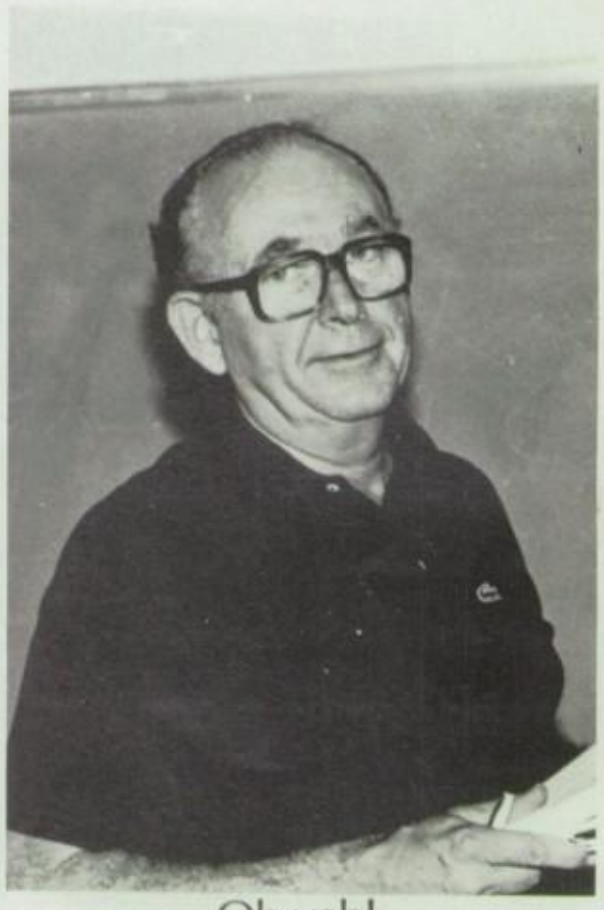
Hi there Sweety

How's it going there.

Come on, take it!

Look where?

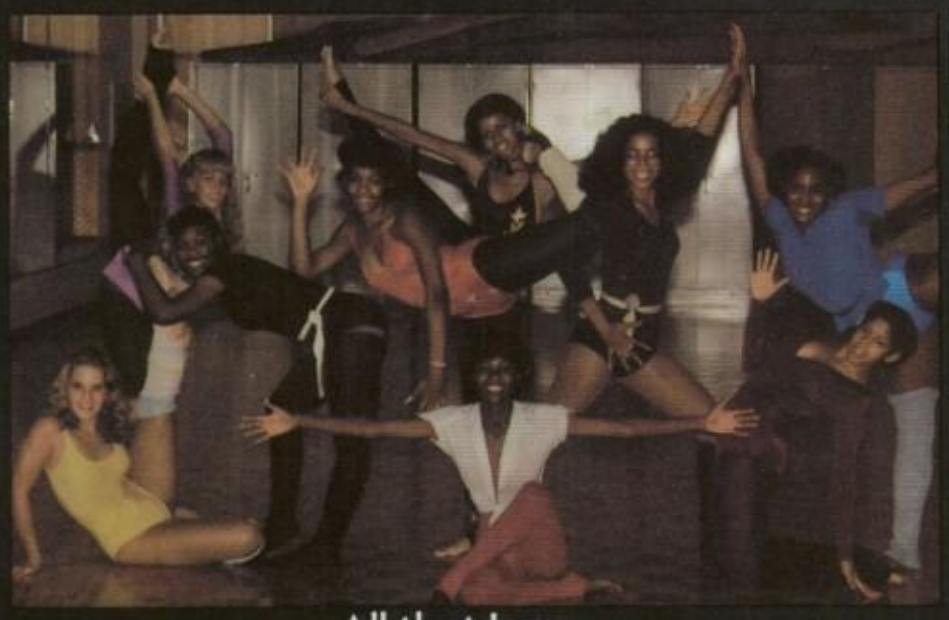
It's Cowboy Joe!



Oh yah!

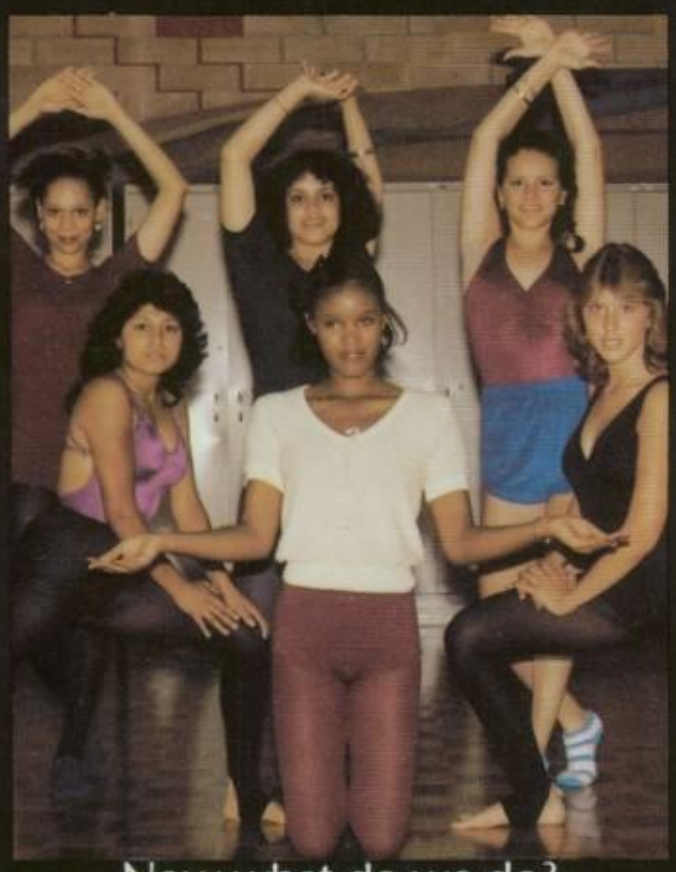
You got it Ace!

GOOD TIMES



All that Jazz

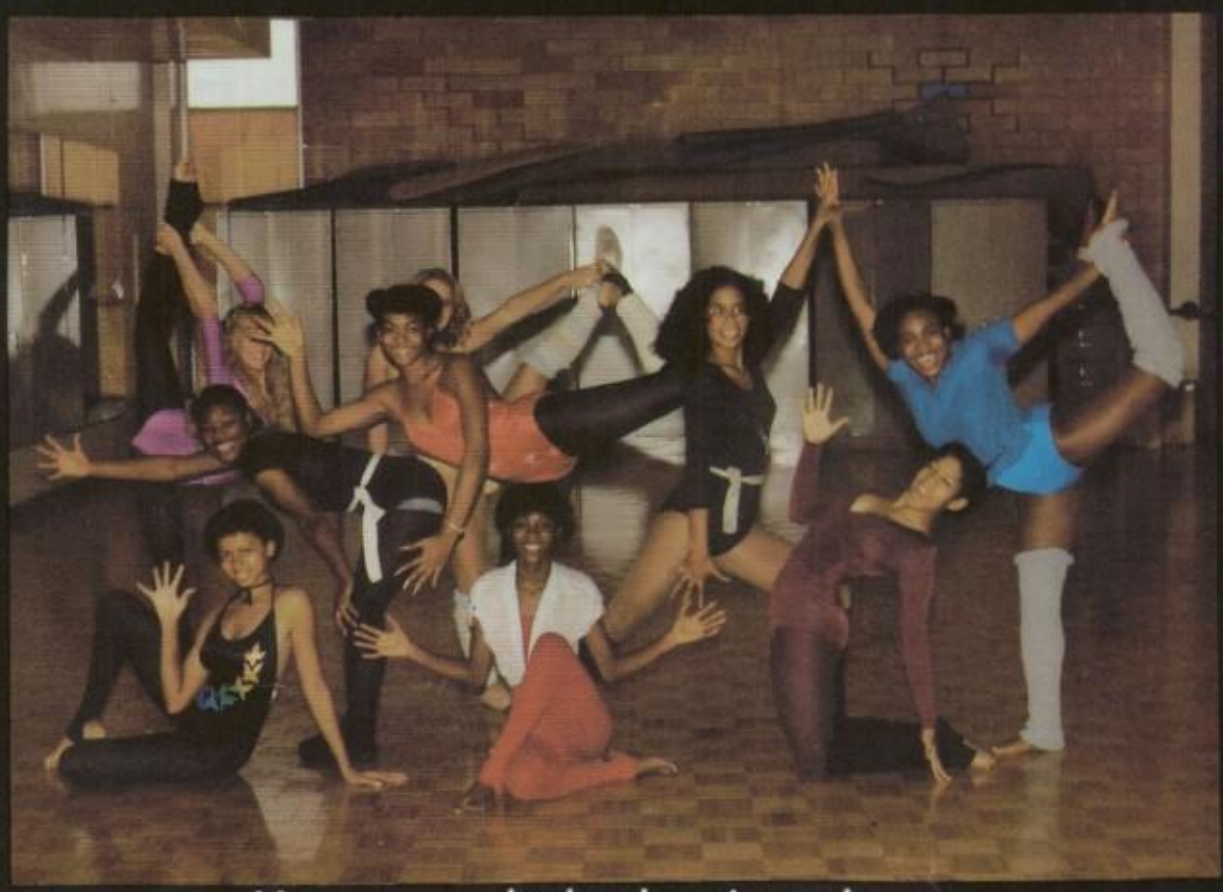
Suck that gut in!



Now what do we do?

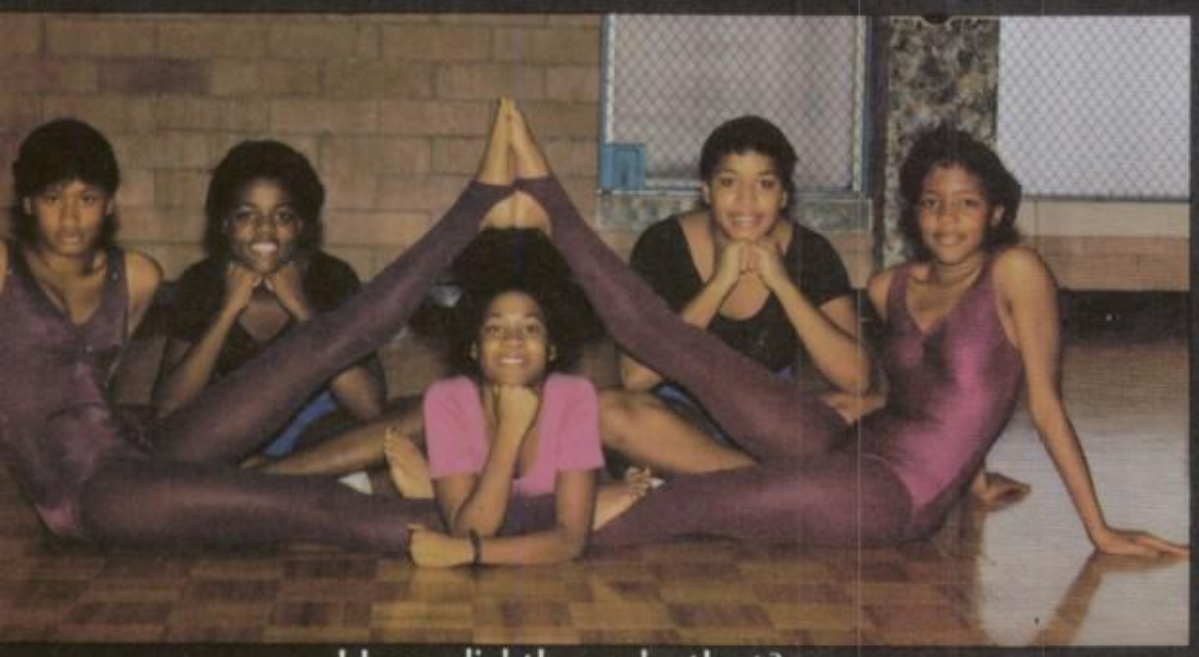
What a Pose!

Sue, Alicia, Sylvia

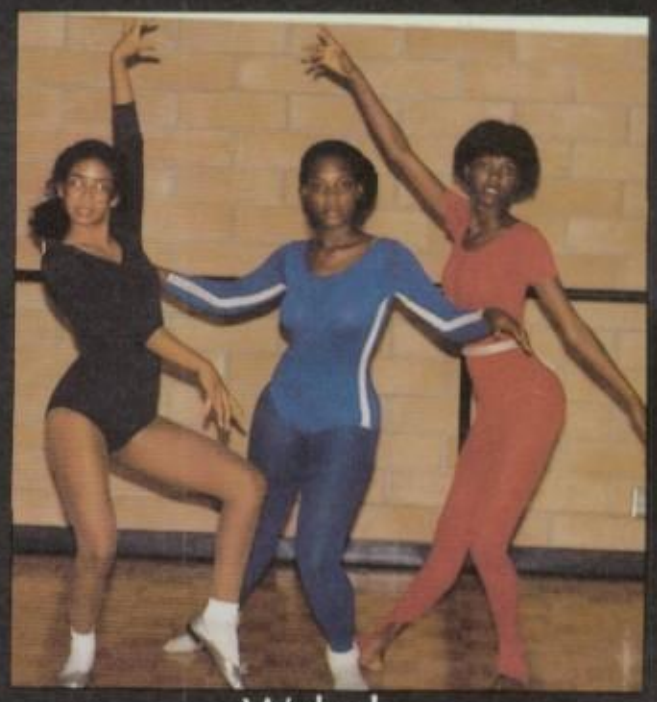


Hurry up and take the picture!

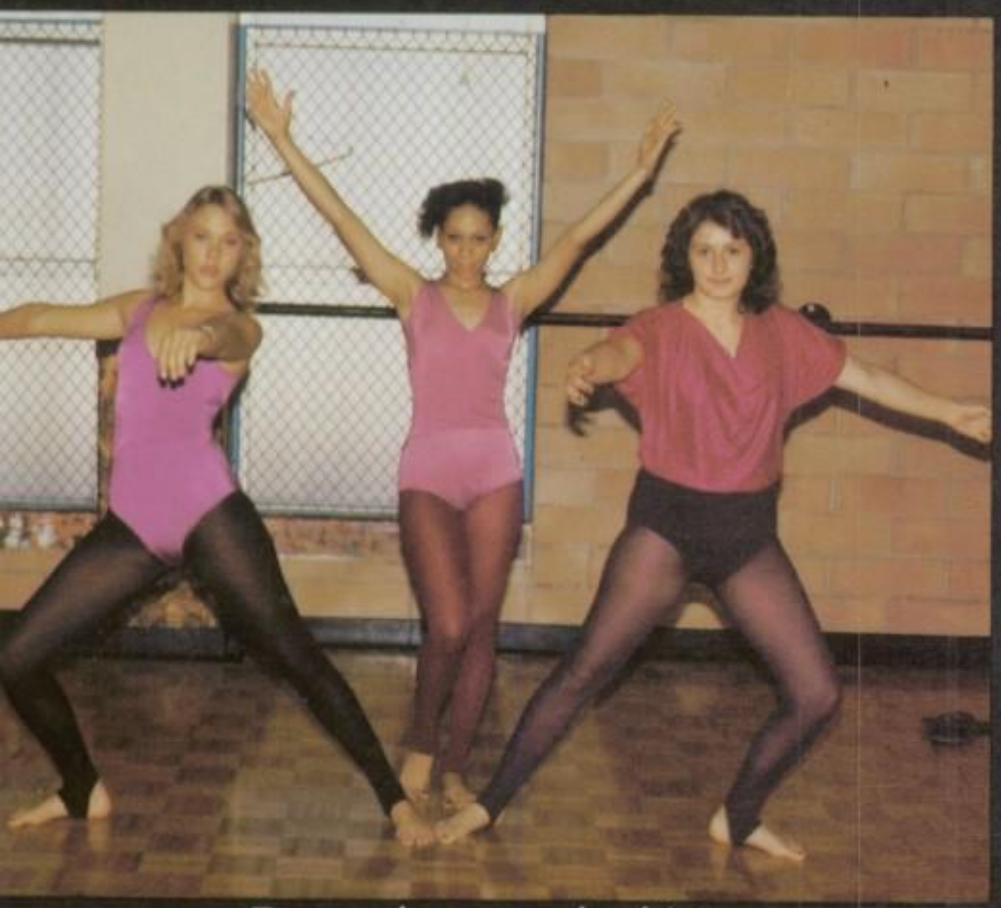
DANCING



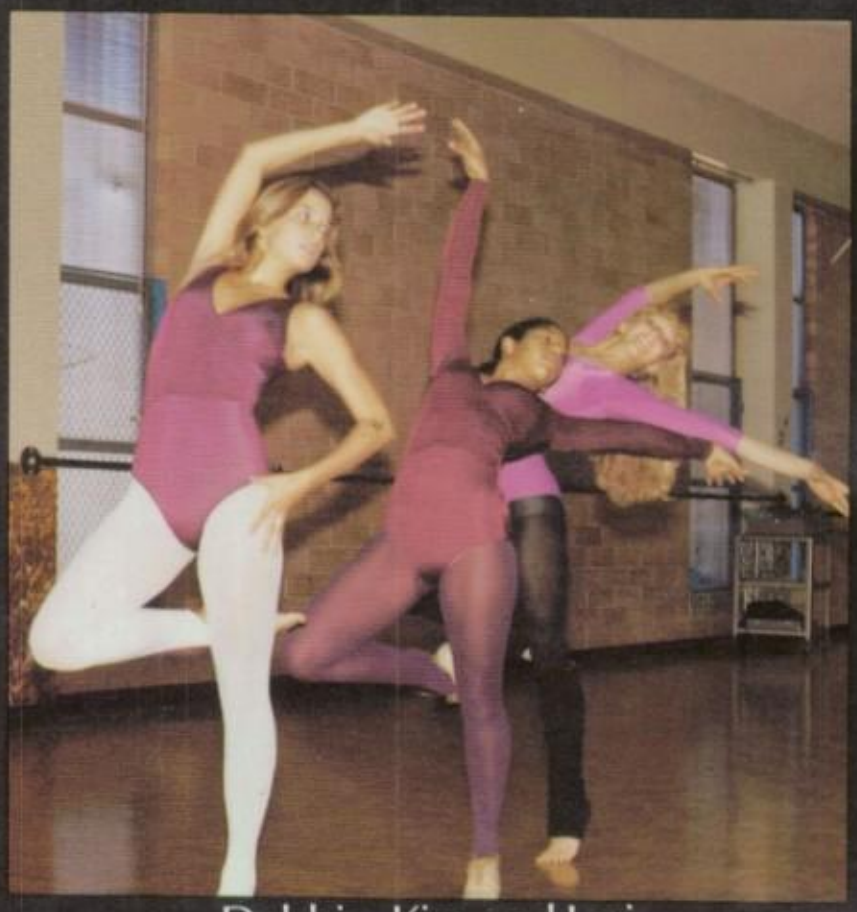
How did they do that?



Walaa!



Do we have to do this?



Debbie, Kim and Lari

Advanced and Beginning together

Can I put my leg down now?

EAST WINS DIVISION CROWN OVER SOUTH

Greg Newman gets it . . .

This years Varsity Basketball team has done a great job. Their season record this year is 16 wins, 2 losses, and one forfeit.

East High is very proud to have such a talented group of students as these. They all have worked together to represent the East High Varsity Basketball team, and have done a very good job of doing just that. We will always remember them.

In Divisional action, East began it's trip to the top by dominating Maryvale in the first round 62-47, before advancing to the semi-finals to defeat Alhambra in a tough battle 67-65.

In the final game, East met an all time rival South Mountain High, who previously had an 11 game winning streak. Their streak was hot, but the Longhorns were on fire.

East's awesome offense and defense, gave the Rebs all they could handle, leading by 9 at the half. In the fourth quarter, East used all their talent to stop the Rebel Rally. With four seconds left, South leading 50-49, Uvante Reed hit a layup to bring home the trophy for the 2nd consecutive year.

In the quarter-finals for State, East was defeated by the St. Mary Knights. The score being 53-52 in a controversial call by the referee in the last 4 seconds.

ADVISOR'S COMMENTS

Enough has happened this past year to make anyone (especially me) really paranoid. It is sometimes difficult to maintain an optimistic outlook when one is face with so many adverse situations and confrontations. But I suppose that this is what it is that will make us all pull together for a common cause. "When the going gets tough, the tough get going." It is easier to "Just go along," or "Drop Out" but what then would they do to us?

At the time this will go to press, the school board still has not reversed it's decision to close East, and the Wranglers are still fighting to keep East open. The parents, teachers, students and friends of East have contributed thousands of dollars to the legal fund, which has paid attorney fees to take the case to the Federal Courts.

On February the 5th, a civil lawsuit was filed, and action is expected to be forthcoming within 30 days. Unfortunately, this yearbook will be at the printing plant on March 5th, so we will not be able to announce the outcome, we do expect, and hope, that it will be favorable to the East High cause, "See you next year."

Meanwhile, back on the yearbook staff . . . I have noticed an excessive number of students this year, who are either procrastinating on a regular basis, or who are extremely apathetic, it's so prevalent this year that most of the people who read this won't care, or they will put off doing something about it till next week. Missing assignments, late assignments, or assignments poorly completed are the rule, rather than the exception. I cannot believe that so many people just plain don't care. Egocentrism is very popular.

I must compliment those who finish what they start, that is what East High Pride is all about. That is what education is all about. A thousand thanks go to Stephanie Stillman, Cindy Knutson, Pierre Langley, Cindy Vargas, Debbie Snyder, Norman Guild, Hazel Green (Whenever she shows up), MaryAnn Valencia, and Kimberly McCaulley. You are the tough ones who got going . . . Thank you, and my compliments for a job well done.

This year was my first year in the yearbook class! I thought it was pretty good, but could have been better with a little more organization. Even though we had some problems, we did a good job of working things out "on our own."

Debbie Snyder

In my opinion, over all this has been a pretty good yearbook. We had some trouble at the end of the year trying to meet our deadlines, but we made it. I'd like to thank everyone on the staff for their cooperation.

Cindy Knutson

I thought it was fun being on the yearbook staff this year. In my opinion, it got kinda hectic trying to meet all the deadlines and getting various things done, but overall it was great!

Pierre Langley

I think the Yearbook staff came up with a lot of great ideas and additions for this book that we'll all remember for many years to come. We had a lot of rough times and worked many long Saturdays, but the results were worth the trouble. Everyone, enjoy your 1981-1982 East High Legend, because at this time the 1982-83 edition is uncertain.

Stephanie Stillman

I can't believe it! We are finally finished. It has been one heck of a tough year but we came out on top. Thanks for all the extra help and Saturdays you have all put in, and for all the consideration you have given me when the deadlines were upon us. We have accomplished something that can be cherished for the rest of our lives, and that can never be replaced. This may be our last year at East, and our last yearbook, so I hope you have had some good times to remember. Thanks again to Mr. Maher, Cindy Knutson, Debbie Snyder, Norman Guild, Pierre Langley, Marriane Valencia, Hazel Green, Stephanie Stillman, Cindy Vargas, and everyone at East High.

GOVERNING BOARD VOTES TO CLOSE EAST

THE GOVERNING BOARD VOTED, ON THURSDAY, JANUARY THE SEVENTH 1982, TO CLOSE EAST HIGH AT THE END OF THE CURRENT SCHOOL YEAR.

THE ACTION WAS TAKEN BY A 3-2 VOTE WITH MARY PRICE, MARY CARR, AND V. A. DUNHAM FAVORING THE CLOSURE, WHILE DON KENNEDY AND GEORGIA GOODE WERE OPPOSED.

On Thursday, January the 11, angry, frustrated citizens denounced the Governing Board, during a four and one half hour meeting, charging the Board with making decisions that are not popular with the public, and the threat of recalling board members, has been heard on more than one occasion.

Many speakers at this meeting stated that the Board is out of touch with the public, and that the actions taken are anti-minority.

One speaker, Bill Wharton, the school Board President from Deer Valley, commented that the Board did not have, nor ask for, any information concerning school closures, or the re-opening of any other school. The Board has been further accused of satisfying the wants and wishes of itself, rather than the needs of the District Voters. The Citizens Advisory Council blasted the Board as being "confused", illogical, and concerned with politics, rather than with the students."

It is apparent that at this point the Board has contridicted itself in areas concerning enrollment, and concerning Tax monies. The Board has adamently voiced that due to declining enrollments throughout the district, schools must be closed, and that due to the lack of funds, expenses must be reduced. PERIOD. Then the Board has voted to re-open an already closed campus, and to spend monies in excess of $200,000 to accomplish the move.

CLOSURE OF EAST HIGH (CONT.)

At this writing, the Board Members are commited to the Actions that ıave been taken. Mary Price has commented that she will not again discuss he issue, V. A. Dunham has stated that he was against the closure of North ligh in the first place, and that he will not change his mind, and Mary Carr tated that she has always been supportive of North High.

It seems then, that "THE HISTORY OF EAST HIGH" will terminate at the nd of the school year, 1981-82, thus ending a Seventeen year span of nexcelled excellance in the field of education.

According to North Central Evaluations, and Comprehensive Testing valuations, East is among the Top leaders, both Academically and in Extra – Curricular areas. One noteworthy item would be Basketball. Coach oyce Youree, a former Arizona State player under Coach Ned Wulk, has rought five State AAA Championships to East, the first in 1971, the se-ond in 1973, then 1975, and the last two back to back in 1981-1982.

During the 1980-81 season, the East High Coach, and Team, passed the HREE HUNDRED WIN TOTAL. At this point in 1982, East is rapidly ap-roaching the FOUR HUNDRED MARK, IN LESS THAN SEVENTEEN YEARS. ournament-wise East has won the P.U.H.S.D. CHRISTMAS battle for three onsecutive years, has made appearances in the quarter-finals, and semi-nals at the State Championship more than TEN TIMES.

The overwhelming achievments in Basketball have overshadowed the xcellance in all other areas. The science department has been an overall eader, under the direction of Mr. Robert Stonoff, since it's inception. Many wards for advancement have been presented annually at East. The oreign Language Department has displayed

ELCELLENCE in many district and state tournaments, bringing home citations, and trophies on many occasions. Mr. Hector Bejarano has been the Department Head for over 15 years.

In the Social Studies area, Mr. Jay Wagoner has been the Department leader, and has had more than one book published. His Arizona History text is used in schools throughout the state. Mr. David Shores has presented his classroom to the press and Media several times to exhibit his teaching of the Governmental processes. The list is endless.

In the English Department, under the leadership of Mrs. Carolyn Downs, and Mr. Harry Coppinger, Students and Teachers alike have excelled. Mr. Ben Jordan has a long list of short Novels published Mrs. Barbara Huffman has advised the *Rawhide* for years, and has reduced the debt from over $3,000 to 0. Mr. John Maher has been the Legend advisor for the last five issues. In 1976 the total account was in debt over $5,000 and has been reduced to zero. By the end of 1982, the yearbook will show a slight profit. Mrs. Lola Dunaway is an accomplished artist, who sells paintings, and shows paintings constantly. Students have had writings published and photographs published, over the years, on countless occasions.

In Arts, and Fine Arts, Mrs. Byrne, Mr. Eugene Hutluff, and Miss. Dixie Patterson, have presented exhibitions and Preformances that have praised for many years. Art and Photography awards have been unequalled at the Arizona State Fair for East High students. A countless number of Video Productions, and Films have appeared on ALL LOCAL TELEVISION CHANNELS, and at state-wide competitions held annually at Arizona State University, through the efforts of East High Students, and Faculty Member, Mr. John Maher.

In all academic and extra-curricular areas, East High Students and Faculty are far above mediocre, they're excellent. How can the public allow Governing Boards like this, to continue making meaningless, wasteful decisions, that cost us so much?

EAST HIGH CLOSURE

We will have a new school in the Phoenix Union High School District in he fall of 1982. It will be located on the old North High Grounds. Apparently, no expense will be spared to renovate the facilities that were first opened in 1939.

I find this very difficult to comprehend since I have been told, for at least hree years, that the enrollment in this district is declining, and that it will continue to decline, and that school closure is the only viable solution, in more cases than one. Here, it is shown to the voting public, that the Governing Board is contradicting itself concerning the lack of funds, and declining enrollment

The stated reason for re-opening North is to open a traditional school to attract students from the private school population, and to offer the District Students an opportunity to attend a traditional school. If the Board wants a Traditional School, why won't it use an already existing campus, and existing Faculty, and students who are already there?

Taxpayer-wise, I find it foolish to spend excessive money to renovate he North High Campus, and even more money to move equipment into an already closed facility. The District estimate exceeds $200,000 so far, how much will it really cost?

The Board is also voicing a total disregard for Minority and Exceptional Students that East High has been serving for SEVENTEEN YEARS. There will not be a School open for these students, except South High. Is this the intent of the Board, to concentrate these students in one location, rather than intergrate them?

Why can so few adversely affect so many? Because the Public is Apathethic. They do not effect you . . . yet.

Maher, East High
